## **MASSIMILIANO CIVICA** **L'ANGELO E LA MOSCA** Commento sul teatro di grandi Mistici

lecture performance by Massimiliano Civica  
production Teatro Metastasio di Prato

Tales, witty remarks and funny riddles have always been used by the great Masters of the West and the East to "smuggle" profound teachings, to open people's hearts to a higher understanding of reality, to reveal what is beyond our usual way of seeing things. The tales of Baal Shem Tov and the Rebbe of Hasidism, the stories of the Sufi and the poems of Jalal al-Din Rumi, the riddles of Zen and the parables of Jesus in the Apocryphal Gospels will serve to try to illustrate and explain aspects, behaviors and situations of the world of Theatre and its protagonists. "What does Mystique have to do with the theatre?" is the question echoing in this lecture-show.
